

# Seminar on GRE & CAT

24<sup>th</sup> JANUARY 2019

G H Patel College of Engineering & Technology

## **Introduction**

IEEE GCET SB organized a seminar on “GRE and CAT” for second- and third-year students of Computer, Information Technology, Electrical and, Electronics & Communication department. The purpose of this seminar was to enlighten the students about different possibilities besides job which they pursue after their Engineering.

The speaker for this session was Mr. Prateek Rai, Head of T.I.M.E. Baroda and VVN Operations.

The seminar was voluntarily supported by IEEE student branch.

## **About the Speaker**

Mr. Prateek Rai is a name to be reckoned with in the Management-Prep Industry in Gujarat is currently heading TIME Baroda and VVN Operations. A very dynamic and versatile personality, he has handled operations of many educational establishments and has conducted numerous workshops, training, counselling sessions and seminars in locations across India. He has also travelled widely and is an exponent of general knowledge. Above all, he is a great teacher and a motivator par excellence.

## **About the Seminar**

He started with giving a basic introduction about, how going abroad is becoming more of a blind following, rather than a planned decision. He then followed the session with some of his hilarious yet witty experiences, also briefly about his likes and dislikes with the Indian Education and more specifically, with the students' mindsets. He carried on explaining about all the options that students have in their life, and why keeping your options open is the right way to go around planning your career with. He went on by answering some common queries, like “is job a viable option in India opposed to higher studies?”. He beautifully explained about the need of wishes and

their fulfillment, in order to enjoy life. He then explained by giving a brief about the paper structure of GRE and how to tackle different sections.

He carried on by talking about the importance of stamina, while giving GRE. Then in between he took a rather hilarious take on stage-fear and explained how it can be tackled with. Following the session with brief introduction to CAT preparations and paper style. He then talked about which examinations to take, for different career paths. He concluded with “This are your options, do whatever you think is good for you, but start right now!”.
