

Poster Presentation

Design Engineering(1B)

9th April, 2019

Introduction:

Poster presentation for design engineering was organized on 9th april,2019 for the students of 4th semester, Electronics and Communication Branch. It was scheduled from 3:30 PM to 5:30 PM.

The event was voluntarily supported by IEEE student branch.

Poster Presentation:

The event was scheduled at 3:30 PM. All the faculty members and students of GCET were invited. There were fourteen groups, of four students each. The project ideas presented were, digitalisation of government offices, assistive technology, automated irrigation system and accident prevention system.

There were seven posters namely AEIOU, Empathy, Ideation, Learning Need Matrix, Mind map, Product Development Canvas and prototype, that were to be presented along with the project report and Prior Art Search(PAS) summary.

These canvases were to be presented to the panel of judges that included Dr.Hitesh B. Shah, Prof.Falgun Thakkar, Prof.Sameer Trapasiya, Prof.Parthesh Mankodi, Dr.Kaveendra Jain and all the faculties of EC branch.

The main motive of this presentation was to uncover the new and inventive thoughts from the students.

Subsequently, the students expressed their gratitude to the faculties for teaching them new ideas in the current technical fields.
The event concluded at 5:30 PM.
